I think you will like Rye. I saw you in the Church & Crick upon it has a fine River. The Church is wonderfully pretty. Then 17 years since I was in Folkestone when I was only in the sea front & the matter of bad did not face the Channel. We are staying at Sandgate. There is so much country to day in London we thought as hardly as to Passion. Our vessels that is Hastings to ours quieter Kroquets & apples is difficult to see the whole
